47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We appreciate the fact that in San Francisco, we have choices when it comes to internet providers. We understand that proposed price hikes will advantage only the biggest companies.

We use our high-speed, fiber optic internet service for our small business, and for our daily lives. We hope you will continue to use your leadership to protect competition, ensuring a vibrant spectrum of options in cities like San Francisco.
